Welcome – Introduction

Our goal for this conference is that it will encourage, equip, and challenge you in the importance of our ministry to preschoolers.

I want to begin our time together with two scriptures that I think are the foundation of our ministries as preschool leaders.

Deuteronomy 6:4-7

When we love God in this way and with all that we have, we understand our mission.

John 6:1-13

This story reminds us that in Jay Pathak’s words, “Small sacrifices can lead to a miracle when you give what you have, even if it’s minute, God can make a miracle.”

When we understand that if we show up and give what we have, God’s Power can make much of it.
